

Website wants some correction: -

• Vendor Panel:

1. **Product- Create Product-** For listing of books Book details not show in the vendor panel.
2. **Product- Create Product-Overview** — For stationary (Office stationery, school stationery) item it is mandatory for vendor to define **HSN code, GST rate, Net Weight, Product Dimensions (LxBxH) in (cm, mm, inch.)** of product at the time of listing. **(Same change is required for Admin Panel Also)**
3. **Vendor Setting: -** Vendor Bank details, GST details, vendor digital signatures required for final billing settlement and invoice generation.
4. **Legal Policy:-** All the legal policies required on **both customer panel and vendor panel** also.

• Customer Panel:

1. **HOME:-** A tag is required to sell/Donate used books for any one (Vendor registration not required) and location at home page.

2. **Chatting: -** A WhatsApp chatting is required on books items (Used Books, Donate Books) for customer-to-customer interface.
